Amendments to the Specification

Please replace paragraph 1, page 2 (page 2, lines 6-8) with the following paragraph:

This is a Continuation in Part of U.S. Application Number 09/789,265, entitled "Methods and Apparatuses for Treating Wastewater," filed on February 20, 2001, and now issued as U.S. Patent Number 6,630,072.
